

OVER THE TOP!

luxury westcoast wilderness eco-safari
including floatplane and helicopter passage

LIVE AUCTION # 4

Come Stay, Come Play, Go Wild at Clayoquot Wilderness Resort's Bedwell River Outpost, and their brand new 'Over the Top' fully-outfitted, ultra-exclusive mountain-top 'outpost for two' located in the Clayoquot Sound UNESCO World Biosphere Reserve.

Recognized as one of the most extraordinary luxury-adventure destinations in the world, and winner of Conde Nast Johansens' Most Excellent Lodge award two years running, the resort promises once in a lifetime, breathtaking, heart-stopping escape, super natural adventure and indulgent hospitality in an ancient, temperate rainforest, surrounded by the energy of the ages.

Inspired by the late 19th century Great Camps, the Outpost promises a delicious irony of indulgent luxury, and remote, untamed wilderness. The quintessential marriage of soft adventure and soft beds - of childhood wishes and grown-up dreams come true. An enclave of 20 great white canvas guest tents, plus dining tents, spa tents and lounge tents offers visitors a taste of how the fortunate spent their summers 'roughing it' some one hundred years ago. At a glance, a remote outpost, but up close an ultra-luxurious 21st century safari-style wilderness playground.

This custom combination package available from Sept 6 - Oct 1, 2015. Valid for one year from purchase. Night out at 'Over the Top' subject to weather. Exclusive of spa treatments and massage, cigars, reserve wines, travel insurance, gratuities, and alternative transportation if not taking scheduled floatplane flights. Non transferable.

Value: \$19,520
