

Event Table Signage

- excellent visibility & elevated brand exposure
- networking set-up: stand-up tables & 8 virtual chairs
- company logo or brand printed on 2-sided signs

2'x8' pull-up banner

Cost-Effective Show of Support

Buying a corporate table at this Network event is a cost-effective and innovative way to support our boys and increase awareness of your company or brand.

- **Single tickets:** \$500 per - 100% tax receipt
- **Corporate Table:** with benefits plus eight tickets, available for \$4,000 per - \$3,500 tax receipt
A limited number of tables are available

When you purchase a corporate table we will:

- create two-sided table signage* for your stand-up table in the cocktail reception/dinner area just outside of the beautiful Spanish Ballroom.
- create a 2' x 8' pull-up sponsor banner with stand to remain on display in the entrance and reception area throughout the entirety of the evening. The banner is yours to keep and display in your office, as a show of support for the Boys Club Network.
- include your logo in our printed program and on our website event page.
- provide you with eight tickets - virtual seats at your high-profile corporate stand-up table.

All tickets include:

- hosted reception and dinner - passed, Chef-hosted feature stations & legendary charcuterie bar.
- dramatic presentation in the Spanish Ballroom, including brief words from key patrons and mentors.
- fun networking evening with insight into BCN.
- tax receipt (see above for percentages).

Payment can be made by cheque, Visa, MC, cash. A purchase receipt will be sent immediately by email, with a tax receipt following shortly by mail.

*A high quality logo is required to produce high quality signage.
